Forecast For East of England
Issued by Met Office Exeter
at 1600 on Wednesday 01 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Largely cloudy, but generally dry.

This Evening and Tonight:
Remaining generally overcast through the evening and overnight. Likely staying dry for most though the odd spot of light rain is possible. Cloud thinning a little for some parts towards dawn. Minimum temperature 12 deg C (54 deg F).

Thursday:
Remaining cloudy for many, particularly along coastal areas, but generally dry and some sunny spells possible during the afternoon. Maximum temperature 20 deg C (68 deg F).

Outlook for Friday to Sunday:
Another cloudy start Friday, with some drizzle possible, but brighter spells later. Little change Saturday, although winds strengthening through the day. Likely staying dry, but windier Sunday. Rather cool throughout.
